Ms. Flora Eliz. Reynolds, Librarian
Mills College Library

Dear Ms. Reynolds:

Please forgive this late acknowledgement of your letter of 27 September 1972. Various projects here have kept me very busy and only now that I am on sabbatical* do I have some free time.

Thank you for your information on the Milhaud manuscript facsimiles and for directing me to the George Beck bibliography of Milhaud. I do have a list (given to me by his family) of Vines's first performances, but I will certainly check the Beck as well.

Again thank you for your assistance.

Cordially yours,

Elaine Brody
