Dear Ula —

Just a line to tell you how much I enjoyed your really delightful children. We had bad weather all week, but it didn't dampen anyones spirits. Henry Aspin my 10 year old grandson, was here and the three of them got on beautifully

and knew how to amuse themselves so well. I really enjoyed them all.

And what fun we had with your delicious ham, and cheese and Babka and the chocolate Easter egg that decorated our table on Easter sunday and then got eaten.

Some day I hope they will be able to come again - and maybe you, too.

Much love Ruth
