Dela dear —

How nice it was to hear from you. I love living up here in the woods — it is so peaceful and comfortable — but I do miss seeing my friends and I have missed seeing you and your family and having at least one good talk with you. Of course, I

will be on the sponsoring committee for the Polish Mutual Assistance. It seems like a necessary and heart-warming project and I know how deeply Artur feels about helping them.

My family come and join me here soon — the Chapins and the Irit Steinways in their own little homes, and Lydia with her husband and baby will be with me all summer. We have a very happy time.

So Paul is in the army. It will be good for him, and
