Dear Dr. Brody,

Thank you for your letter of the 18th December about Isaac Albeniz. Francis Money-Coutts was my great grandfather and the present Lord Latymer is my uncle.

I suspect that your informant may have been Richard Wharton and I am afraid I can really do no more than send you a copy of the letter which I wrote to him last June and the synopsis of an agreement referred to therein.

I am sorry not to be able to be of any more help but when I next see my uncle, who now lives in Majorca, I will try to remember to ask him in case he has any other information.

Yours sincerely,

David Money-Coutts
