Dear Sir,

At the suggestion of Elvira Vines-Soto, I am preparing a monograph on her uncle, the pianist Ricardo Vines (1875-1943). Mrs. Jacoba Grunfeld, the wife of Frederick Grunfeld, should be able to give me some information about De Falla and Vines. She wrote a book entitled Spanien und die neue Musik. Ein Lebensbild in Schriften, Bildern, Erinnerungen that I believe indicates she has information that would prove helpful to me. The book was published in Zürich by Die Arche, 1968. It was listed in RILM as No. 3590 in II/3, 1968.

I believe that you sent in the abstract and I obtained your address from RILM at the City University. I would very much appreciate your sending me Mrs Grunfeld's address. Any help you can give me will be greatly appreciated. I am enclosing an International Reply Coupon and a self-addressed envelope for your use.

All good wishes for a Happy Easter Holiday! Cordially yours,

E Brody
